

Список ППС СКГУ им. М. Козыбаева, премированных за публикацию статьи в рейтинговых международных журналах с ненулевым импакт-фактором.

| № | ФИО | Название статьи | Название журнала | |
|---|----------------------------------|--|---|--------------------------|
| 1 | Зубань Иван Александрович | «Holocene Faunal Trends in West Siberia and Their Causes» | «Izvestiya - Atmospheric and Ocean Physics» 53(8), с. 791-803 | Web of Science Scopus |
| 2 | Сабденов Каныш Оракбаевич | «An Analytical Study of Hydrodynamic Instability in the Flame. 1. Viscous Gas in the Flame Zone» | «Russian Journal of Physical Chemistry» | Web of Science Scopus |
| 3 | Сабденов Каныш Оракбаевич | «Determination of the transfer coefficient of natural turbulence occurring near the solid-propellant gasification zone. I. Two-phase model of the gasification zone» | «Combustion, Explosion and Shock Waves» | Web of Science Scopus |
| 4 | Сабденов Каныш Оракбаевич | «Determination of the transfer coefficients of natural turbulence occurring near the solid-propellant gasification zone. II. hydrodynamic instability in the presence of cross-flow» | «Combustion, Explosion and Shock Waves» | Web of Science Scopus |
| 5 | Риттер Дмитрий Викторович | «Development of UHF prototype installation-Force-drying of dielectric objects reparation» | «2017 International Siberian Conference on Control and Communications, SIBCON 2017 – Proceedings 7998499» | Scopus |
| 6 | Омирбаев Серик Мауленович | «Process approach in results-oriented public administration» | «Journal of Advanced Research in Law and Economics» (3), с. | Scopus |

| | | | | |
|----|---|--|---|----------------|
| | | | 950-955 | |
| 7 | Омирбаев Серик Мауленович | «Funding of Higher Education of the Republic of Kazakhstan in modern conditions» | «Journal of Advanced Research in Law and Economics» | Web of Science |
| 8 | Доскенова Бану Бесеновна | «Environmental assessment of contamination with heavy metals and air contamination» | «CURRENT SCIENCE» | Web of Science |
| 9 | Колесникова Галина Афанасьевна | «On cultivating leadership qualities in future pedagogues during the process of building their professional competencies in higher education institutions» | «Bulletin of the Tomsk Polytechnic University, Geo Assets Engineering», Volume 328, Issue 11, 2017, Pages 75-82 | Scopus |
| 10 | Шаяхметова Алтын Сейтахметовна, Көшен Бауыржан Макөшұлы, Көшен Бауыржан Макөшұлы | «The density of planting and the productivity of corn in the context of forest - steppe zone of Northern Kazakhstan» | «Asian journal of microbiology biotechnology and environmental science» | Scopus |
| 1 | Савинкин Виталий Владимирович | «More Efficient Rotation of Excavator Platforms» | «Russian Engineering Research» 2017, Vol. 37, No. 8, pp. 667–671. | Scopus |
| 11 | Кошекков Кайрат Темирбаевич | «Search of the operational earthquake precursors on the basis of the identification measurements of the seismographic records» | «2016 Dynamics of Systems, Mechanisms and Machines, Dynamics 2016 7819026» | Scopus |
| 12 | Дюрягина Антонина | «Study of wetting of aluminum and steel | «Bulletin of the Tomsk Polytechnic | Web of Science |

| | | | | |
|----|---|--|---|----------------|
| | Николаевна | substrates with polyorganosiloxanes in the presence of nitrogen-containing surfactants» | University, Geo Assets Engineering» Volume 328, Issue 11, 2017 | Scopus |
| 13 | Кашевкин Александр Александрович | «Computer Diagnostic and Monitoring Device Based on the Theory of Identification Measurement of Signals» | 2017 INTERNATIONAL CONFERENCE ON APPLIED MATHEMATICS, MODELING AND SIMULATION (AMMS 2017) | Web of Science |
| 14 | Луцак Светлана Михайловна | «On the complexity of quasivariety lattices» | «Siberian Electronic Mathematical Reports» 2017, No. 14, pp. 92-97. | Scopus |
| 15 | Гладков Максим Владимирович | «Simulation of combined process of rod extruding in three-roll mill using Deform-3D» | Известия Национальной Академии наук Республики Казахстан | Scopus |
