**Conditions for participation.** It is necessary to send the request to the organizing committee (**the sample of the request is below**); to send articles on electronic media **not later than 06.02.2026**. All materials are published in the author's edition. The text is original and cannot be edited. One person cannot be the author and the co-author more than twice.

**Requirements for the design of the article**

The article whose volume is 2-3 pages must be written **in the format** of Microsoft Word text editor. **The font is** Times New Roman. **The line spacing** is 1.0. **The font size** is 12. The left margin size is 2.5 cm, the right margin is 2 cm, and the top and bottom fields are 2 cm.

The first and last names are written in the center of the first line. The name of the university is written there, too. It must be designed in the usual font with bold italic. The supervisor's data is in the center of the second line. The next paragraph must contain the article's name in capital letters in the interval of the second line (with the usual semibold font, aligned in the center). The main text of the article is written with a red line below via an interval (the

sample is below). References are indicated as far as they are mentioned according to current standards. They are written in the interval from the main text in the form of a list at the end of the article (using continuous numbering, ex.: 1, 2, etc.). The reference sign in the text is made of numbers in square brackets. The number of the literary source is indicated first, then, after a semicolon, the page number is indicated. For example, [1;3]. Pages are not numbered.

All presented articles will be posted in the collection of the conference materials.
