**INFORMATION LETTER**

L.N. Gumilyov Eurasian National University invites you to take part in the International Scientific and Practical Conference “Modern Approaches to Teacher Training: Science and Practice,” which will be held on **February 26, 2026**, in cooperation with partner universities — M. Akmulla Bashkir State Pedagogical University (BSPU, Russian Federation) and Peoples' Friendship University of Russia (RUDN University, Russian Federation).

**Conference Objective**

Analysis of modern scientific and methodological foundations of teacher training, identification of innovative approaches and effective practices in the field of pedagogical education, and the development of international scientific cooperation and experience exchange.

**Conference Format**

In-person (offline) and remote (online).

**Main Areas of the Conference**

1. Global Trends in Pedagogical Education and Science;
2. Artificial Intelligence and Digital Technologies in Pedagogical Education;
3. International Experience and Innovative Methods of Training Teachers for Inclusive Education;
4. Value-Based Approach to the Professional Development of the Modern Teacher.

**Conference Working Languages**

Kazakh, Russian, English.

**Requirements for Submission of Materials**

Presentation materials must clearly reflect the nature, content, and results of the author's research. A single participant may not be the author or co-author of more than two publications. Authors are responsible for the content of their articles, as well as the accuracy of the facts, quotations, statistical, and other data presented.

The article text must be typed in **Word 97–2003** using **Times New Roman**, font size **12**, **single line spacing**, and justified alignment. Equations should be formatted using **Microsoft Equation 3.0**. Tables, diagrams, and figures must have titles and numbering. Page settings: **margins of 20 mm** on all sides. The length of the materials should not exceed **5 pages**.

References should be listed at the end of the article and numbered in the order they are cited in the text. The text must be carefully edited in terms of style and technical formatting.

## Sample Formatting
